

GOA HONEYMOONS

The word romantic has two definitions. What appears romantic to me might not be romantic for you. On one hand romantic means illusionary, out of this world while on the other hand it refers to love evoking. But both meanings conclude that romantic honeymoon destination would take you away from the hustle and bustle of city life and offer an aura of heavenly bliss and excitement to you. www.BestGoaDeals.com offers you a hassle free honeymoon to the most romantic destination of the world -Goa. Just pick up your desired package and let us know.

Goa, a little state with so much soul, is the ultimate honeymoon haven for beach lovers. Laidback, Goa is a merry blend of Portuguese and Konkani, with the atmosphere of a lively carnival town. Think Goa and you think beaches. All the beaches have a different character and are known by the quality of sand on the beach and the passions of the people who groove there. Anjuna is known for its shingle-sand and sixties-style flower culture. Peaceful Agonda, rocky and sandy Arambol, happy and happening Baga, red sand and coconut grove Calangute, popular Vagator, untouched Polem and Palolem and enchanting Colva are the other beaches.

The towns and beaches are flooded with shacks and restaurants where you can gorge on Goan and Mediterranean cuisine, especially seafood and sample some local feni (cashew brew), port wine and passoa - liquor from passion fruit. Goa is ideal for a passionate honeymoon, strolling hand in hand down the beach, dancing by the fireside at midnight, singing old songs to the beat of a strumming guitar. There is much to see and do - backwater cruises down the Mandovi and Zuari rivers, dolphin cruises on the high seas, adventure sports and water sports -para sailing, wind surfing and water skiing -or you can simply hold hands and dance over the crashing waves! Chances are that you may never want to come back to terra firm once you have been transported into raptures at Goa. But so what... you can re-live your honeymoon in Goa again and again.

A Warm Welcome to you in GOA !!!
