INSTRUCTIONS AND TRAINING IN THE POOL

Duration: 1 hour (07.15 am to 08.15 am)

Location: North Goa

UNDERWATER DIVE DURATION

20min

40min

AT SEA

9.00 am to 3.30 pm.

Diving Details

- All Equipments (swim suit / fins / mask / oxygen cylinders, etc) would be provided.
- Also, light snacks would be offered while on the diving trip.
- Short briefing explaining the principles of diving and your equipment, followed by a dive in the swimming pool to get used to being underwater.
- You will learn some basic skills, get comfortable with the dive gear.
- Once you are comfortable in the water, you will be taken by boat to Grande Islands for your dive under the close, direct supervision of a dive instructor In the best case scenario the instructor takes two people underwater with him so he can hold on to your tanks, you are never alone underwater.
- The dives are less than 12 m deep, usually between 6-10 m.
- Photos from the days dives are uploaded on our facebook page from where you can download them for free
- High resolution underwater photos are Rs. 500 per head
- In case you are interested, we can also do an underwater video of your dive trip @ Rs. 1000 per head
- You will need to bring an USB stick, or memory card to copy your photos or video.

Eligibility

- 10 years & above..
- Should be able to swim a little in the water
- Should not be suffering from any sea sickness or breathing issues.
